The Securities and Exchange Board of India (“SEBI”), vide its circulars and operational directions issued from time to time in relation to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“SEBI ICDR Regulations”), has prescribed an operational framework for cases where specified securities are required to be subject to a statutory lock-in but creation of such lock-in in the depository system is not feasible on account of an existing pledge, hypothecation, lien, encumbrance or any other reason recognised under applicable law or the operational framework prescribed by the depositories. In such cases, the

depositories may mark such specified securities as “Non-Transferable” for the duration of the applicable lock-in period.

In order to align the Articles of Association of the Company with the applicable regulatory framework and to facilitate compliance with the requirements of the SEBI ICDR Regulations, SEBI circulars, the operational procedures prescribed by the depositories and other applicable laws, it is proposed to alter the Articles of Association of the Company by inserting a new **Article 209** immediately after the existing Article 208. The proposed Article expressly provides for the marking of specified securities as “Non-Transferable” in circumstances where creation of lock-in is not feasible in the depository system, while preserving the rights of pledgees or other secured creditors and ensuring that any transfer of such securities remains subject to the applicable statutory restrictions.

The proposed alteration is intended to enable the Company to issue necessary instructions and confirmations to the depositories, Registrar to the Issue and/or Registrar and Share Transfer Agent, stock exchanges, SEBI and other concerned authorities, wherever required, for ensuring compliance with the applicable legal and regulatory requirements.
